## About Us

Quality begins at **WELMED** Instruments Company where master craftsmen forge and manufacture each instrument to its exact specifications and measurements. Instruments must undergo a series of quality control inspections in order to be worthy of **WELMED** name and warranty. We offer a wide selection of medical instruments including Surgical and Dental instruments.

We have acquired a unique and unmatched understanding of manufacturing through a large experience, working since 1908. Years of experience & state of the art manufacturing facilities helped us to keep our prices low. Our Surgical & Dental instruments are created by expert craftsmen, providing unfaltering quality you can rely on.

We have launched a fully interactive website where you can get online and track your orders 24 hours a day, 7 days in a week, and 365 days a year. Ask for our free e-catalogue on CD-Rom to save time and enjoy hassle free ordering.

We provide our customers with most reliable customer service as your satisfaction is our top priority. Our customers always enjoy our wonderful customer service and quality tools at the best price.

Lastly we invite you to have a work experience with **WELMED** Instruments Company and we will prove ourselves as one of the most valuable source you have.

## History

**WELMED Instruments Company** was founded in 1995. Our Great Grandfather **Mian Muhammad Fazal Elahi** was the founder of M/s M.F. Elahi & Company (E.P.) Pvt. Ltd, established in 1908. WELMED is a sister concern of M.F. Elahi & Co. It is our pride to be a member of M.F. Elahi Family.

WELMED Instruments Company is located in the heart of beautiful city, Sialkot, Pakistan. We are manufacturers and exporters of quality Surgical, Dental instruments and Scissors of all sorts in various categories. We are closely attached with highly skilled surgeons and other technicians of the surgical industry to make the new instruments development possible.

WELMED is in a continues process of development and testing of new instruments for their precision and perfect functioning. We are also working at imported forging supply by foreign customers.

## Certificates

Welmed Instruments Company has achieved the certificates for ISO-9001, ISO-13485, cGMP (FDA) and CE Marking.

## Quality Control

All material use in the manufacturing of our instruments are tested from relevant laboratories. Our continuous quality control is our best warranty so that you built confidence in our products.

## Deliveries

Deliveries are quick and in-time.

## Mode Of Payment

Terms of Payment is ADVANCE or LETTER OF CREDIT (Irrevocable)

## Quality Policy

**WELMED Instruments Company** aims to produce quality Surgical, Dental instruments and Scissors of all sorts at reasonable prices to become an exemplary manufacturer. Our total emphasize is to achieve customer's satisfaction by clearly understanding their requirements and following a quality management system which is a primary concern of all our work force. We do our best to produce instruments of finest quality.

## Warranty

All WELMED Instruments are produced from finest stainless steel available to be free from any defect in material or workmanship. Any product that proves to be defective in material or workmanship will either be repaired or replaced without any charge. This warranty is void if the instrument is abused, altered, modified or is not used in the manner for which it is intended.
